

FROMM RIESLING SPATLESE 2007

5 STARS

**Gourmet Traveler Magazine Top 12 Riesling's
April/May, 2009**

Lovely wine that is indeed a creditable copy of a German Spatlese Riesling. It has knife edged acidity reacting with residual sugar to create an exquisite tension (many try but few succeed as spectacularly as this). Lots of mineral, floral and beeswax flavours. Classy Riesling.
