Comment A remarkable Chardonnay from a vintage affected by severe spring frost damage. The crops were very low and uneven, but meticulous selection prior and during grape picking allowed us to harvest a small quantity of this most precious single vineyard wine.

The bouquet offers limey/citrus notes, subtle fruit and hints of minerality. A great wine to complement food, complex and discreet, showing no overpowering features. A beautifully textured Chardonnay with a long, firm finish.

Short description Subtle fruit, lime and citrus, slightly minerally. Great food wine, discreet, long and mouthfilling texture.
