Comment This is a substantial Chardonnay, big, rich and complex with a graceful elegance. The wine has weight, firm acid and extraordinary flavour density, yet everything is well proportioned within the tight structure. Full malolactic fermentation added further texture to the palate without losing focus. There is a distinct terroir expression typical for this vineyard, giving the wine a real sense of place. Matured for 16 months in 2 – 6 year old barrels and bottled without filtration.

Short description Rich and complex Chardonnay, elegant and well proportioned with good weight and flavour density to be enjoyed with food. (May 2008)
