Comment	A typical "Fromm Vineyard" Pinot Noir, very concentrated with deep colour, a masculine, slightly tarry nose and a palate structure which ensures medium to long-term cellaring. The 1999 vintage, while high in actual alcohol, shows excellent balance and a lively, vibrant youthfulness. In other words a wine with concentration and richness but without being heavy.
Short description	Complex and concentrated Pinot Noir, intense and vibrant on the palate with a generous fruit tannin structure. Needs food. (January 2001)
