Comment	Made from several selections of botrytis-free bunches, this pure Riesling "Auslese" has wonderful concentration, yet despite its high residual sweetness has a lightness and elegance rarely seen outside of Germany. A stimulating low alcohol wine which literally dances on your palate, leaving a long fresh after-taste of citrus, marmalade, lychee and apricot flavours.
Short description	Beautifully concentrated Riesling, lush and sweet yet light and elegant with a fresh, long finish. (December 1998)
