Wine analysis	Alcohol	8.0%
	Total acidity	8.1 g/l
	pH	2.89
	Residual sugar	79 g/l

Comment

Encouraged by the delightful Rieslings we were able to produce in 1998 we put again a similar effort into creating this Auslese. Made from five separate selections over a 12 day period, the 1999 version has an even lower alcohol with slightly firmer acid. It is again a very stimulating, delicious, botrytis-free Riesling, sweet, light and delicate with a mouthwatering, drying finish.

Short description

Delicious low-alcohol Riesling, sweet, light and delicate with a mouth-watering, drying finish.
(December 1999)
