**Comment** Sweet and refreshing Riesling with great balance and focus. It shows the extra physiological ripeness achieved through individual bunch selection with fine apricot flavours and hints of spice.

A classic example of the contradicting qualities characterising these styles, very sweet yet with a cleansing, mouthdrying finish. They are light regardless of the weight and have an elegance despite their inherent richness.

This is a delicious low alcohol Riesling, which dances on the palate and leaves you with a smile.

**Short description** Delicious, low alcohol Riesling; sweet, light and elegant with flavours of ripe apricot and a refreshing mouthdrying finish. (October 2007)
