

La Strada . Riesling Dry 2001

Grape variety	100% Riesling	
Bottled	October 2001	
Cellaring potential	2009	
Winemaker	Hätsch Kalberer	
Wine analysis	Alcohol	13.5%
	Total acidity	6.7 g/l
	pH	2.97
	Residual sugar	5.1 g/l

Comment	Quite similar to the 2000 Riesling Dry, just balanced on a slightly different level with less acidity and residual sugar. Again a wine with beautiful purity, good weight and tight structure, promising long term aging potential and flavour development. However, this wine is also a real pleasure in its youth, an exciting expression of ripe, racy, uncomplicated Riesling, which goes very well with a wide range of austere entrées.
Short description	Exciting young dry Riesling with good aging potential. Very fine and pure, showing clean varietal aromas and great structure. (December 2001)
