|                     | pH              | 3.67            |
|                     | Residual sugar  | less than 1 g/l |

**Comment**

1999 seems to be a vintage for delicious wines, early approachable with medium cellaring potential. Our Syrah Reserve is no exception. It is very much a Fromm Syrah, very Rhône-like but softer than previous vintages. It still has lots of peppery characters, firm and ripe tannins and most importantly its unique cool climate intensity.

**Short description**

Delicious medium-weight Syrah, classic white pepper aromas. Flavourful and very expressive, ripe tannin finish. (December 2000)
