Comment Typical Fromm Chardonnay, ripe with a mouthfilling richness, yet with a sound "low acid/low pH" structure to provide a tight, focused palate feel. As always, our Chardonnay went through a full malo-lactic fermentation and matured for a good 12 months in mainly old barrels. A very stylish wine with fine integration of the modest amount of wood influence there is.

Short description Tight structured, ripe Chardonnay with a mouthfilling richness, yet firm and focused in the finish.
